9:00am-3:00pm

RCTC Heintz Center – Room H1405

\$125 per person

Pre-Registration is required by March 27, 2020

Learning Cardiopulmonary Resuscitation (CPR) may help you save the life of someone you love. According to the American Heart Association, about 75-80 percent of all out-of-hospital cardiac arrests happen at home. Perhaps it is time you learned CPR?

This class combines CPR, AED and First Aid Training in to one convenient session. Heartsaver CPR/AED with First Aid (as the American Heart Association classifies this course) teaches the skills necessary to recognize and provide immediate care for breathing problems, cardiac emergencies, injuries and sudden illnesses until medical personnel arrive. Participants who successfully complete the skills and written test will be certified for two years by the American Heart Association for: Standard First Aid and CPR/AED for adults, children and infants.

Participants can bring a lunch with them or go to the cafeteria
