ADMINISTRATIVE PROFESSIONALS CONFERENCE

4/17/19

Celebrate * Re-energize * Gain New Skills * Network

The 2019 Administrative Professionals Conference is an event that is geared towards celebrating the role of an Administrative Professional. The day is set up as an opportunity to re-energize yourself while gaining new skills and techniques to assist you in playing a vital role in the success of your organization. This conference will provide you an opportunity to network with the other professionals while attending educational sessions that relate directly to your position.
