At LIFE, our Program Committee and Director are assembling another great set of presentations and presenters. Please take time to look over the catalog and enroll for some of them. Also, if you are not a member of LIFE, the low cost of an annual membership, is quickly offset by the reduced cost of the presentations offered.

Most of the presentations are offered via ZOOM. That means:

- No travel in cold or inclement weather.
- Few, if any, cancelled presentations.
- Access to experts from around the country.

I look forward to your joining me in many of them. Happy Holidays and best wishes for a great 2024.

## Holiday Movie Operation Christmas Drop

Join us for a holiday movie, hot cocoa, and cookies. Operation Christmas Drop is the movie that we will be watching together to wrap up the 2023 year. This will be our last chance to get together as a group before we hunker down for the winter.

The story line of the movie follows a beautiful young congressional aide who forgoes her family Christmas plans to travel to a beachside Air Force base at her boss's bequest. Her mission, is to find any reason she can to defund the facility.

Meanwhile, a successful and dashing young Captain has caught wind of her mission and will do his best to thwart it!
