## LIFE: Opportunities Await You!

As our LIFE classes wind down for the 2018-2019 academic year, I am reminded of the anticipation of the summer activities that await us, whether it be traveling to distant places, enjoying the awaking beauty of nature, or just soaking up the warm weather after a never ending winter and reluctant spring. What ever our choices for the summer will be, we will be renewed, energized, and looking forward to the opportunities that await us in the LIFE Fall catalog. Our program committee has been busy this spring preparing for next fall and the class line-up is very exciting with many opportunities to expand our knowledge.

Until then, there are still a few classes offered the first week in June. Sarah Ruble, who is a professor of Religion at Gustavus Adolphus College will be speaking on "Theological Perspectives on Evil and Suffering," Wednesday, June 5th and Bennett Smith, an instructor from Iowa Area Community College, will present "D-Day's 75th Anniversary" on June 6th. Both of these instructors have a strong following from our members.

Lastly, I would like to thank our out going board members Brenda Dicken, Pat Farrell, Carol Kamper, and Darlene Kelley for their years of service to the LIFE program. These are dedicated people who have donated countless hours to support the LIFE mission. Chrisanne Pieper also deserves high praise for her tireless efforts to see that LIFE continues to grow and be successful. The LIFE program is a valuable asset to our community and we appreciate RCTC's support for life-long learning.

Have a great summer and we will see you in the Fall! Please tell your friends about us. There is always room for more members!
