## SAVE THE DATES:

Thu, Oct 27, LIFE  
Program's Harvest Dinner

## ***LIFE: Loaded with Authors, Journalists, and Lecturers***

The nocturnal sound of bush crickets' chirping will soon signal students' return to school, and the start of LIFE Fall classes. Thank you, our members, for benefitting LIFE through your subscription, attendance and support.

Our program committee recruited this Fall trimester's outstanding teachers, a roster loaded with authors, journalists, and lecturers. Extolling brevity for adult learners, the class selections tilt toward liberal arts topics. The program's warp and woof includes historical subjects, current events and environmental topics. The schedule also offers many regional trips, including a popular "Lunch & Lock" cruise in September, and you can sign up for LIFE's Annual Harvest Dinner which will occur on October 27.

It cannot be stressed too often that the LIFE program would be reduced drastically in size and effectiveness without the intrinsic vigor and generous support in time and money from our subscribers (members), RCTC senior program staff director (Chrisanne), her staff (Jamie) and Board members. We enthusiastically welcome our new LIFE Board members: Jane Callahan, Pamela Haase, Sharon Melvin, Cheryl Roediger, and Joe Wieners and gratefully acknowledge the services of an emeritus group: Frank Iossi, Walt Menning, Judy Pease and Julie Stenehjelm. Their donated services are immeasurable.
