

Power Limited Technicians, Master and Journeyman Electricians are required to have *16 hours* of continuing education every 2 years.

Day 1 Course number 20180147: 6 hours of Code

- Starting with an Overview and then Articles 90-110, Articles 250-285, Articles 300-399 and Articles 400-499. The 6 hours of code are followed by 2 hours of MN Rules and Statutes.

Day 2 course number 20180146: 6.5 hours of Code

- Starting with Articles 500-599, followed by Articles 600 - 694, Articles 700-770, Articles 800-830 and Chapter 9. Following the code we will discuss Technical Topics to System theory for 1.5 hours.

Upon completion of the full 16-hour course, technicians will have met State requirements. These courses are approved by the MN State Electrical Licensing Board.

Please check with your local electrical licensing board for continuing education requirements.

What you will need:

A current 2017 NEC Code Book. Code Books may be ordered in advance through the host school. **Cost: \$120.00 soft bound**

Register Early!
The college reserves the right to cancel classes due to insufficient enrollment.
