

Online Quality Series

\$99 for all four modules or contact BWE for group pricing

This on-demand, web-based program, offers a low-cost training solution for individuals and agencies. It is a valuable training tool which has 4 independent, self-paced courses for professionals. Courses can be taken any time day or night. A certificate of completion is provided upon successful completion of each module for continuing education records. Tracking of individual course completions is available with the My Certificates tool. These online modules target audiences who are new and emerging leaders with an application across industry. The online quality series uses a mix of engaging content and interactive exercises to provide real feedback for quick transfer of learning and faster application to the challenges faced in the workplace.
